## MICROFIBRE KNITTED TOWELS

Available in 5 colours

- Microfibre Towels (315 gsm appx)  
*Colours: Blue, Green, Yellow & Red (Pink)*

- **ULTRA ABSORBENT Microfibre**  
- towels are made from split microfibrils that absorb many times faster than ordinary towels.

- **POLYESTER/POLYAMIDE**  
blended fibres ensure very **LOW LINT** wiping with fantastic **HIGH-BULK** feel and superlative wiping performance.

- Microfibre Towels are SO **ABSORBENT** that they are perfect for all **GLASS** and **POLISHED Surface** cleaning ... with or without cleaning solutions.

- **Microfibre Towels can be washed and reused many times too!**

*Size 400mm x 400mm  
Flat-Packed in bulk cases  
4x50 towels per outer case*
